

Waiu Trail Park, Wainuiomata. Sun 20-Sept 2026

R1: 2026 PNP Spring Series / 2026 Club Champs / Wellington Secondary Schools Champs

Event Notes

Riders will need to be PNP Club Members to be eligible for a PNP Club Championship Medal, and enter OPEN grade (unless in College). PNP Membership is completed online by purchasing a 2026 CNZ (MTB) license and nominating Port Nicholson Ponake Cycling Club as your club.

Wellington region college students will be eligible for a College Sport Wellington Champion Gold medal in the age group races: U19, U17, U15. **Note:** Age is as you will be on **31 Dec 2026**.

The MTB Championship is a points event determined across three events: An XCO race, one Enduro stage and a Criterium race. Different bikes may be used for the different events. A weighted points system is applied to all placings in all events (including non-eligible riders). Championship placings are determined by points gained. If there is a point tie, your XCO placing will be the decider.

Finish/Repeat	Y	Y	Y	Riders finish if they have completed the required number of loops, OR continue riding into Wetland Loop to begin another loop.

XCO - Course Map

Event 2: Enduro Stage

U11 and U13 grades only

- Start near the bridge and will race down:
- Labyrinth (100m) and Snail Trail.
- Wetland loop (straight/right), taking the first and third sections of WestSide
- Turn right into Banker to ride to the Finish at the park.

Enduro - All other grades

- start at the trig station near the start of Freewheel
- race down Freewheel
- Continue into Beeline, Beeline Extension
- finish at the park near the start of Red Track.

Event 3: Criterium

With the Criterium event, points are awarded for placings with no respect to time differences. There will be 3-4 short Criterium races for different ages groups, run sequentially over the same course.

Format: Each Criterium race will be for an initial 15 mins, then the bell will be rung for riders to complete a final round.

Course: There will be a small start loop on the grass in the park prior to riding into the main loop:

Wetland Loop: (West: Heading toward Directa)

Right, into Banker

Left, into the Wetland Loop 'Swamp' section

Right into the grass area, then around to the Finish line near the start of Red Track.

Key Personnel

Key personnel responsible for safely running this event are:

Name	Position	Contact Number
Jason Brown	MTB Convenor	0274 213 617
Deb Sherwin	Registrations	021 215 4450
Robert Comeskey	Timing Systems	021 717 311

Traffic/Parking Management

No public roads are being used in this event.

The Waiu carpark will have spaces reserved for Marshals, First Aid and coffee vendors.

Parking within the grassed park area will be reserved for vehicles of event personnel only which may not be moved until the completion of the event.

Event parking for competitors will be within the Waiu Trail Park Carpark on the southern side (right hand side as entering) only and Waiu Street, where ample parking is available on a Sunday.

Event Updates/Communications

For event updates see the website: pnp.org.nz/mtb or <http://www.facebook.com/pnpsmtb>

At the Event Hub, a sound system will be used for all announcements and pre-race briefings.

Communication between organisers and marshals located around the event will be via PNP's 2-way repeater radios communicating on Channel 14. Reception to all marshal points has been successfully used with the PNP radios in previous events at this venue.

Mobile Phone numbers for marshals will be distributed as a backup communication method.

Health & Safety

The PNP MTB Health and Safety Policy, Emergency Response Plan and Risk Management Plan are available via links from the MTB page on the website: pnp.org.nz/mtb.

Equipment: Riders should ensure that their bikes and other equipment are suitable for the conditions and are in a well maintained state.

Hazards: The following hazards specific to this site/event have been identified:

- Notable course points: Merge with U11/13 at Beeline hub; Long/Short merge on Snails; Narrow bridge on Wetland Loop. Managed with marshals.
- High chance of walkers in the Freewheel > Beeline transition (near the bridge). Managed with marshals, cones & tiger tails, as well as early warning notices (2+ weeks in advance of the event)

Procedures: Riders are to be aware of the following Health & Safety procedures. Time allowances will be made for any riders stopping to assist with an injury.

Instructions: Riders are to follow instructions of marshals and event organisers. Failure to do so can result in disqualification and barred entry from future events.

Non-serious self-injury on course: If you have a non-serious injury on the course, but are able to safely move, please clear the track as quickly as possible to protect yourself and others from being hit by a following rider. If on an obscured part of the course, keep calling "Rider Down".

If you need assistance, call to the next rider to stop. Advise them of your Injury, Name and Number and they will be able to inform the next marshal on the course.

If abandoning the race, do NOT travel backwards on the track into oncoming riders.

Finding an Injured Rider on course: If you encounter an injured rider on the course, you must assist if they need assistance. If they are unable to move, this is to be treated as a serious injury and you must:

- Stop and stay with the injured rider until First Aid or a marshal arrives on-site.
- DO NOT MOVE the rider if they are unable to easily move themselves.
- Secure the scene, ensuring approaching riders do not hit you or the injured rider. Stop following riders for assistance: (one as messenger, one as lookout).
- Get any details of the Injury as well as the Name and Number of the rider.
- Send the following rider with these details onto the next marshal.

Stoppage: In the event of emergency where racing has been stopped, riders will be advised by marshals to return to the Event Base via the most direct safe route.

Evacuation: If the Event Base area needs to be evacuated e.g. due to a fire in a shelter. The evacuation point will be down Broken Hill Road, in the direction of further exit ways.

Event Base

The Event Base will be at the grass park area at the end of Waiu Road. PNP would like to utilise the permanent shelter as the registration area. One 3mx3m gazebos (depending on weather) may be set up in the opposite grass area, near the finish line. This may include a gazebo structure and/or tenting poles holding timing equipment. All PNP gazebos are secured with hefty pegs (~40 mm, ~8mm diameter) as well as guy ropes when required.

The Start/Finish loop will require the placement of cones throughout sections of the Event Base.

Waste Management Plan

Waste collection will be provided for at the Event Base (Registration). ALL waste is to go into the approved collection bags, and will be sorted for Recycling materials after each event.

Any competitor who litters either during the race or at any time during the event will be subject to time penalties and risks disqualification at this event and/or subsequent PNP MTB events.
