

College Sport Wellington and PNP Cycling Club MTB Champs Rangituhi, Porirua. Sun 15 March 2026

Event Notes

College Sport Wellington (CSW) riders will need to enter their appropriate grade to qualify for CSW awards. Please note that your age is taken as of **31 Dec 2026**. E.g. A 16 year old rider **turning 17 any time in 2026** must enter the **U19 grade, not U17**.

Wellington region college students, including Wairarapa, will be eligible for a College Sport Wellington Champion Gold medal in the age group races: U15, U17, U19.

Riders will need to be PNP Club Members to be eligible for a PNP Club Championship Medal. The Club Champion(s) can be from any grade which races the same course as the OPEN grade and starts within the same start save in the XCO race.

Details on PNP Social Membership (1 Sept - 31 Aug) and formal membership (Cycling NZ + ePNP Membership, as required for national races) can be viewed [here](#). Social PNP club membership is \$40 for U19 or younger riders, \$60 for adults with a \$150 Family option.

The MTB Championship is a points-based event determined across three events: An **XCO** (Cross-Country) race, one **Down Country** stage and a **Criterion** race. Different bikes may be used for the different events. A weighted points system is applied to all placings in all events (including non-eligible riders). Championship placings are determined by points gained. If there is a point tie, your XCO placing will be the decider.
